

THE AL AQSA TYRES STORY

The story began 2002. When we, two of the tyre shop workers in Sharjah – United Arab Emirates, together invested our hard earned monies and decided to found our own alloy wheel store.

Back then we were small fish among the sharks and were struggling to survive among the big competitors. Thanks to the hard work, remarkable customer care and quality product, today, we are privileged to connect with hundreds of retailers every day with exceptional products, 4 branches and 11 warehouses in United Arab Emirate & Oman.
